To the Secretary

I, _____(Name of Member), hereby apply for permission to occupy hangar site _____ presently vacant*/ occupied by____
_____. * (Delete whichever is not applicable)

If this application is approved I will pay the applicable Infrastructure Fee and Hangar Bond.

I will conduct all activities on the airfield and the Hangar Site in accordance with the club Constitution and Airfield Rules as amended from time to time. Before I construct a new hangar on the site or carry out any extensions or major modifications I will submit plans to the Committee for approval and then apply to the Serpentine Jarrahdale Shire for a Building Licence. I acknowledge that these requirements also apply to installation of septic tanks. All building work will comply with applicable legislation including the requirements for all contractors to carry workers compensation insurance.

I intend to keep the following aircraft or project in the hangar, such aircraft or project having current approval to be kept at Serpentine:

_____.

I will not transfer the hangar site to another person unless the transfer has Committee approval in writing.
