

Sport Aircraft Builders Club

Flying Weekend

28, 29 & 30 September 2003

Paul Clutterbuck and Rob Felton will be co-ordinating this event. However, it will not work without the support of members so please come along (with your family and friends) and enjoy a weekend of low key flying activities/social events.

At going to press we have asked the following who kindly volunteered last year to assist during the weekend:

- Aircraft parking: Tom Krieg
- Aircraft Judging Ben Sharpe
- Car Parking/Camping ground Fred Long
- Ultra Light Involvement Ben Sharpe/Stuart Maddigan
- Airfield Tours Maurice Harnett
- Competitions Phil Maley
- Catering Paul Clutterbuck.(We have engaged private caterers for the weekend as per the past few years. This will take the heat off members and their wives who usually find this area an onerous task. Prices will be reasonable and in line with the current pricing at Serpentine. A special aspect will be the authentic Chinese food on the Saturday and Spit Roast on Sunday evening)
- Briefings Jim Craven/Bill Bell
- Refueling Shelley Cruden
- First Aid Trish Dicks
- Toilets/Shower Blocks Barry Ranford/Barry Campbell
- Prizes Rob Felton and TBA
- Rubbish removal Marcus Geisler/Rob Felton
- Fire safety Fred Long
- Aero modeling Allen Buzza/Graham Byass/Jim Craven

If you have any ideas for the weekend (evening entertainment etc), or if you are keen to volunteer for anything, or would like to assist the above members please contact them (or Paul on 94980969 or Rob on 94980969). I am especially seeking donations of prizes for the competitions.
